## PROFESSIONAL SUMMARY

---

BCA (Computer Applications) student with hands-on experience managing Google Ads and YouTube Ads campaigns as a Digital Marketing Executive, alongside a growing technical foundation in HTML, CSS, JavaScript, SQL, and Power BI. Skilled in campaign optimization, data querying, and building responsive web projects, with strong analytical thinking and close attention to performance metrics such as CTR, CPC, conversions, and ROI.

## SKILLS

---

**Digital Marketing:** Google Ads, YouTube Ads, Campaign Planning & Management, Lead Generation, CTR/CPC/Conversion Analysis, ROI Optimization

**Data & Analytics:** SQL, MS Excel, Power BI (Data Visualization & Business Intelligence), Data Analysis Fundamentals

**Web Development:** HTML, CSS, JavaScript, Responsive Web Design, GitHub

**Programming & Tools:** C, Tally ERP

## EXPERIENCE

---

**Senior Digital Marketing Executive — AR Technologies India** Current

- Plan, manage, and optimize paid advertising campaigns on Google Ads and YouTube Ads to generate leads and support business growth.
- Monitor and analyze campaign performance metrics — including CTR, CPC, conversions, ad spend, and ROI — to guide ongoing optimization decisions.

**Web Development & Data Analytics — Self-Directed Learning** Ongoing

- Build practical front-end web projects using HTML and CSS while developing JavaScript skills for interactive, dynamic web experiences.
- Strengthen data analysis capabilities through self-study of SQL, MS Excel, and Power BI, with focus on querying, data visualization, and business intelligence.

## PROJECTS

---

**LocalEase — Local Service Booking Platform**

HTML, CSS, JavaScript, Backend, Database | [Live Demo](#) & [GitHub](#) linked on Portfolio

- Designed and developed a web platform connecting customers with nearby local service providers such as electricians and plumbers.
- Built front-end structure and styling alongside backend and database components to support service search and booking functionality.

**Amazon Clone — E-Commerce Frontend**

HTML, CSS, Responsive UI | [Live Demo](#) & [GitHub](#) linked on Portfolio

- Built a responsive, Amazon-inspired e-commerce interface to practice product presentation, navigation, and page layout.
- Applied HTML and CSS best practices to create a clean, mobile-friendly user interface.

## EDUCATION

---

**Bachelor of Computer Applications (BCA)** Currently Pursuing

Ewing Christian College, Prayagraj, Uttar Pradesh | 3rd Year, Semester 5

## CERTIFICATIONS & TRAINING

---

- Computer Operator and Programming Assistant (COPA)
- SQL — Simplilearn SkillUp
- Data Analytics — Simplilearn SkillUp
- MS Excel — Simplilearn SkillUp, powered by Microsoft
- Introduction to Artificial Intelligence — Simplilearn SkillUp
- Power BI for Beginners — Simplilearn SkillUp, powered by Microsoft
